SENATE BILL

No. 1302

Introduced by Senator McGuire

(Coauthors: Senators Berryhill and Roth)

(Coauthors: Assembly Members Bigelow, Dodd, and Maienschein)

February 19, 2016

An act to amend Section 10095.5 of, and to amend, repeal, and add Section 10095 of, the Insurance Code, relating to insurance, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

SB 1302, as amended, McGuire. Basic property insurance: California FAIR Plan.

Under existing law, the California FAIR (fair access to insurance requirements) Plan Association is a joint reinsurance association of state insurers that is established to, among other things, assist persons in securing basic property insurance for qualified property for which insurance cannot be obtained through the normal insurance market. Existing law requires the association to establish and maintain a toll-free telephone number through which a person may receive assistance in applying for basic property insurance. Existing law requires an insurer member of the plan to provide to an applicant who is denied coverage the toll-free telephone number for the plan for information and assistance in obtaining basic property insurance. Existing law requires an agent or broker transacting basic property insurance to either assist a person in making an application for insurance through the plan or to provide the person with that toll-free telephone number.

This bill would additionally require the association to establish and maintain an Internet Web site at which a person may receive information and assistance in applying for insurance through the plan and would require the association to include the toll-free telephone number and the Internet Web site address on all communications with an applicant or an insured. The bill, beginning March 1, 2017, would require an insurer member to provide an applicant denied coverage or a policyholder whose policy is canceled or not renewed both that Internet Web site address and toll-free telephone number. The bill would delete the provision permitting an agent or broker to provide the toll-free telephone number of the plan as an alternative to assisting a person in making an application for insurance through the plan, and would instead require an agent or broker to assist a person *in seeking his or her help in obtaining basic property insurance coverage by making an application for insurance through the plan by submitting an application at the person's request or request, by providing the person with the California FAIR Plan's Internet Web site address and the toll-free telephone number. number, or by making an application for insurance, at the person's request, and placing that person with or through an insurer that offers, or a surplus line broker that procures, basic property insurance coverage.*

This bill would declare that it is to take effect immediately as an urgency statute.

The people of the State of California do enact as follows:

1 SECTION 1. Section 10095 of the Insurance Code is amended
2 to read:
3 10095. (a) Within 30 days following the effective date of this
4 chapter, the association shall submit to the commissioner, for his
5 or her review, a proposed plan of operation, consistent with the
6 provisions of this chapter, creating an association consisting of all
7 insurers licensed to write and engaged in writing in this state, on
8 a direct basis, basic property insurance or any component of basic
9 property insurance in homeowners or other dwelling multiperil
10 policies. An insurer described in this subdivision shall be a member
11 of the association and shall remain a member as a condition of its
12 authority to transact those kinds of insurance in this state.

1 (b) The proposed plan shall authorize the association to assume
2 and cede reinsurance on risks written by insurers in conformity
3 with the program.

4 (c) Under the plan, an insurer shall participate in the writings,
5 expenses, and profits and losses of the association in the proportion
6 that its premiums written during the second preceding calendar
7 year bear to the aggregate premiums written by all insurers in the
8 program, excluding that portion of the premiums written
9 attributable to the operation of the association. Premiums written
10 on a policy of basic residential earthquake insurance issued by the
11 California Earthquake Authority pursuant to Section 10089.6 shall
12 be attributed to the insurer that writes the underlying policy of
13 residential property insurance.

14 (d) The plan shall provide for administration by a governing
15 committee under rules to be adopted by the governing committee
16 with the approval of the commissioner. Voting on administrative
17 questions of the association and facility shall be weighted in
18 accordance with each insurer's premiums written during the second
19 preceding calendar year as disclosed in the reports filed by the
20 insurer with the commissioner.

21 (e) The plan shall provide for a plan to encourage persons to
22 secure basic property insurance through normal channels from an
23 admitted insurer or a licensed surplus line broker by informing
24 those persons what steps they must take in order to secure the
25 insurance through normal channels.

26 (f) The plan shall be subject to the approval of the commissioner
27 and shall go into effect upon the tentative approval of the
28 commissioner. The commissioner may, at any time, withdraw his
29 or her tentative approval or he or she may, at any time after he or
30 she has given his or her final approval, revoke that approval if he
31 or she feels it is necessary to carry out the purposes of the chapter.
32 The withdrawal or revocation of that approval shall not affect the
33 validity of any policies executed prior to the date of the withdrawal.
34 If the commissioner disapproves or withdraws or revokes his or
35 her approval to all or any part of the plan of operation, the
36 association shall, within 30 days, submit for review an
37 appropriately revised plan or part of a revised plan, and, if the
38 association fails to do so, or if the revised plan is unacceptable,
39 the commissioner shall promulgate a plan of operation or part of

1 a plan as he or she may deem necessary to carry out the purposes
2 of this chapter.

3 (g) The association may, on its own initiative or at the request
4 of the commissioner, amend the plan of operation, subject to
5 approval by the commissioner, who shall have supervision of the
6 inspection bureau, the facility, and the association. The
7 commissioner or any person designated by him or her, shall have
8 the power of visitation of and examination into the operation and
9 free access to all the books, records, files, papers, and documents
10 that relate to operation of the facility and association, and may
11 summon, qualify, and examine as witnesses all persons having
12 knowledge of those operations, including officers, agents, or
13 employees thereof.

14 (h) Every insurer member of the plan shall provide to applicants
15 who are denied coverage the statewide toll-free telephone number
16 for the plan established pursuant to Section 10095.5 for the purpose
17 of obtaining information and assistance in obtaining basic property
18 insurance.

19 (i) This section shall remain in effect only until March 1, 2017,
20 and as of that date is repealed, unless a later enacted statute, that
21 is enacted before March 1, 2017, deletes or extends that date.

22 SEC. 2. Section 10095 is added to the Insurance Code, to read:

23 10095. (a) Within 30 days following the effective date of this
24 chapter, the association shall submit to the commissioner, for his
25 or her review, a proposed plan of operation, consistent with the
26 provisions of this chapter, creating an association consisting of all
27 insurers licensed to write and engaged in writing in this state, on
28 a direct basis, basic property insurance or any component of basic
29 property insurance in homeowners or other dwelling multiperil
30 policies. An insurer described in this subdivision shall be a member
31 of the association and shall remain a member as a condition of its
32 authority to transact those kinds of insurance in this state.

33 (b) The proposed plan shall authorize the association to assume
34 and cede reinsurance on risks written by insurers in conformity
35 with the program.

36 (c) Under the plan, an insurer shall participate in the writings,
37 expenses, and profits and losses of the association in the proportion
38 that its premiums written during the second preceding calendar
39 year bear to the aggregate premiums written by all insurers in the
40 program, excluding that portion of the premiums written

1 attributable to the operation of the association. Premiums written
2 on a policy of basic residential earthquake insurance issued by the
3 California Earthquake Authority pursuant to Section 10089.6 shall
4 be attributed to the insurer that writes the underlying policy of
5 residential property insurance.

6 (d) The plan shall provide for administration by a governing
7 committee under rules to be adopted by the governing committee
8 with the approval of the commissioner. Voting on administrative
9 questions of the association and facility shall be weighted in
10 accordance with each insurer's premiums written during the second
11 preceding calendar year as disclosed in the reports filed by the
12 insurer with the commissioner.

13 (e) The plan shall provide for a plan to encourage persons to
14 secure basic property insurance through normal channels from an
15 admitted insurer or a licensed surplus line broker by informing
16 those persons what steps they must take in order to secure the
17 insurance through normal channels.

18 (f) The plan shall be subject to the approval of the commissioner
19 and shall go into effect upon the tentative approval of the
20 commissioner. The commissioner may, at any time, withdraw his
21 or her tentative approval or he or she may, at any time after he or
22 she has given his or her final approval, revoke that approval if he
23 or she feels it is necessary to carry out the purposes of the chapter.
24 The withdrawal or revocation of that approval shall not affect the
25 validity of any policies executed prior to the date of the withdrawal.
26 If the commissioner disapproves or withdraws or revokes his or
27 her approval to all or any part of the plan of operation, the
28 association shall, within 30 days, submit for review an
29 appropriately revised plan or part of a revised plan, and, if the
30 association fails to do so, or if the revised plan is unacceptable,
31 the commissioner shall promulgate a plan of operation or part of
32 a plan as he or she may deem necessary to carry out the purposes
33 of this chapter.

34 (g) The association may, on its own initiative or at the request
35 of the commissioner, amend the plan of operation, subject to
36 approval by the commissioner, who shall have supervision of the
37 inspection bureau, the facility, and the association. The
38 commissioner or any person designated by him or her, shall have
39 the power of visitation of and examination into the operation and
40 free access to all the books, records, files, papers, and documents

1 that relate to operation of the facility and association, and may
2 summon, qualify, and examine as witnesses all persons having
3 knowledge of those operations, including officers, agents, or
4 employees thereof.

5 (h) An insurer member of the plan shall provide to an applicant
6 who is denied coverage, or a policyholder whose policy is canceled
7 or not renewed, the Internet Web site address and statewide toll-free
8 telephone number for the plan established pursuant to Section
9 10095.5 for the purpose of obtaining information and assistance
10 in obtaining basic property insurance.

11 (i) This section shall become operative March 1, 2017.
